His convictions include battery on a peace officer, battery, hit and run with property damage, possessing a narcotic controlled substances, being under influence of controlled substances, disturbing the peace, inflicting corporal injury on spouse/cohabitant, transporting drugs, possessing needles/syringes, theft, failure to appear, violating parole, receiving stolen property, and disorderly conduct/drunken in public. He has served multiple state prison terms the longest a 2 year 4 month term for possession of controlled substances. Knight was released from state prison to the supervision of the Los Angeles County Probation Department on October 21, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2014 after he absconded from post release community supervision (PRCS). Knight qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of possession of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
